

## Candidate for Prosecuting Attorney.

Clarence Vivion announces in this issue of The Intelligencer his candidacy for Prosecuting Attorney of Lafayette county, subject to the action of the democratic voters at the primary election in August.

Mr. Vivion needs no introduction to the people of Lafayette county where he has lived these many years. He is of pioneer democratic stock and has always been found with his shoulder to the wheel giving his time and talents towards his party's success. He has served two terms as Prosecuting Attorney with distinction. His work was conscientious and capable. He played no favorites, and performed the duties of his office with rare skill and judgment. After the expiration of his second term he returned to his private law practice which in its scope brought him before the bar in many important cases and further enriched his mind for greater usefulness to his party and the public at large.

Mr. Vivion enters this campaign expecting to win the nomination, but if his party's voice wills otherwise, he will not shirk nor sulk, but do his part in helping to elect the whole democratic ticket.

## Death of Lucas Mitchell.

Lucas Mitchell, son of Mr. and Mrs. W. Z. Mitchell of this city, died last night at the General Hospital in Kansas City of spinal meningitis. Mr. Mitchell had been dangerously sick for the past two weeks and his death was unexpected.

For the past five years he has lived in Kansas City and has been employed by the Yale Amusement Company. Besides his parents he is survived by his wife, who was Miss Marie Keach of this city, two sisters, Mrs. Fannie M. Summers of Lexington and Mrs. J. R. ## Miss Wettendorf's Recital.

The piano-forte recital given Thursday evening in Murrell auditorium by Miss Jane Groves Wettendorf, a pupil for graduation from the Central College Conservatory of Music, was pronounced splendid by all who were fortunate enough to hear it. Miss Wettendorf has appeared on programs before at Central, but her attainment in her graduating recital far surpassed any of her previous performances and surprised even the most ardent of her admirers.

Miss Wettendorf's touch is strong and accurate, her technique fluent, her attack sure. She was at ease on the stage and showed that her program had been carefully and conscientiously worked up, not given under a strain after a few weeks of feverish practice.

The program follows:

GRIEG - Sonata op. 7  
Allegro moderato-Andante molto-  
Alto Menuetto-Molto Allegro  
CHOPIN - Prelude op. 28, No. 23  
Nocturne op. 37, No. 2  
Fantasie-Impromptu  
PHILIPP  
HABERBER - A Flower of Spring  
MACDOWELL - To a Water Lily  
Hungarian  
MOSZKOWSKI - The Juggleress  
LISZT - Gondoliera  
SAINT-SAENS - Allegro-Appassionato

Every number showed a peculiar charm and drew deserved and hearty applause. T. Grieg Sonata was handled wonderfully well, the runs in the last movement being exceptionally well done. Of special beauty was Macdowell's Hungarian and Liszt's Gondoliera. The explanation of the significance of the latter was printed on the program and added to the audience's enjoyment of the piece.

By her recital Miss Wettendorf displayed the results of much ability and perseverance, and reflected great credit upon her teacher, Miss Addie Givens Wynne, to whom the composition and arrangement of the program is attributable.

## The Chicago Glee Club.

The Chicago Glee Club proved a treat to a crowded house at Murrell Auditorium Friday night. The Glee Club has had the same personnel for eight consecutive years, and came highly recommended, but even then it was a pleasant surprise to the audience. Besides the vocal numbers, several quartet and solo numbers were given on trombones and a character sketch of a Hoosier settler was enthusiastically received. Altogether, the Glee Club proved one of the most popular numbers of the Central-Wentworth lecture course.

Miss Wilmon Edwards went to Kansas City Wednesday night for a brief visit.

Mrs. W. S. Shirk arrived Wednesday from Sedalia for a brief visit.

### WENTWORTH

Warrensburgers Played Good Basket Ball and Won 32 to 20.

In the last basket ball game of the season on the local court Monday night the Warrensburg Normal school defeated Wentworth by the score of 32 to 20. That the Normals would win was a foregone conclusion and the result just about accorded to the dope.

The visitors started the scoring and from then on there was little doubt as to the outcome. Toward the end of the first half, however, the cadets made a pretty rally and threatened to tie the score. At the middle of the game the score was 19 to 12 in the visitors' favor.

For Warrensburg Wheeler did the most scoring, counting six baskets and four free throws. Rush and Grimes, too, pulled off some spectacular plays. None of the cadets did anything extraordinary. H. E. Slusher was handicapped by a bad heel and could not cover the floor in his customary manner and was replaced by Roberts.

The cadets will close the season Thursday and Friday of this week by a trip to Boonville and Fayette, where they play Kemper and Central respectively.

The line up and score:

WENTWORTH	Position	NORMAL

For the present Mr. Kenney will use his time in the interest of his candidacy for County Assessor.

## Candidate for County Treasurer.

It is always a pleasure to present the name of a candidate when he is known far and wide as a man worthy, in every respect, to the confidence and support of every voter of the party at whose hands he is asking a nomination to an office. It is not always advisable, nor is it sometimes safe to tell all the truth about a candidate in an announcement notice. But, in this instance The Intelligencer feels free to write the truth about Ike Noyes, whose worthy aspiration is in accord with every qualification he possesses for the office he seeks—that of County Treasurer. Ike Noyes is singularly qualified to meet the responsibilities of the office of Treasurer of Lafayette county.

He has the brand of Democracy that wears. He believes in his party's principles and has always been found doing his part towards its success. His education and training, his familiarity with the county's affairs, his rugged honesty, all combined with a likable personality will make him a strong contender for the consideration of every voter when called upon to make a choice for a candidate for this important office. Mr. Noyes will make a strong candidate, and his election would mean a successful administration of the affairs of that office.

## Candidate for County Assessor.

In this issue of the Intelligencer will be found the announcement of C. L. Kenney as a candidate for County Assessor subject to the action of the Democratic voters at the primary, August 6.

Mr. Kenney who has just retired from the grocery business in Lexington where he enjoyed a large and extensive trade, is a popular and substantial citizen of Lafayette county. He is a native of Kentucky, but has lived in Lafayette County for a long while during which time he has won the admiration and friendship of a host of friends who are glad to know that he is in the race and who will do everything possible in a fair manner to elect him to the place which he seeks.

Before going into the grocery business, Mr. Kenney farmed in various parts of the county and later was engaged in the transfer business in Lexington. He is a conscientious man, with few enemies and a man to whom Lafayette county can safely trust the position which he seeks at the hand of his fellow voters. He is a stalwart democrat, having stood loyally by the party during his entire life and for this reason he feels no hesitancy in asking for an office to which if he is elected he will prove an efficient officer.

John P. Gordon.

State Auditor John P. Gordon's himself personally to see that announcement of his candidacy for re-election meets with the hearty approval of the Democrats of Lafayette county. For John Gordon, during his term as Auditor, has not only reflected honor on his home city and county, but has made the Democrats of Missouri feel gratified that the state is his successful fight against Governor Hadley regarding the raising of taxes on farm property and live stock. To him more than to any other man is credit due for the fact that these taxes were not increased.

In the auditor's office he has instituted a new regime, saving the state from thousands of dollars of needless expense. He has cut out innumerable items which to him looked like petty graft. When a state officer turned in an expense account, John Gordon has made good and it is a Democratic precedent to re-elect an officer who has made good. So The Intelligencer thinks Mr. Gordon should and will be continued in office.
